

Customer Service Associate

eRange is now hiring for a Customer Service Associate!

eRange is transforming the century-old system of marking paper targets by delivering real-time digitized display of each round shot as well as customized training analytics.

Join our team in an exciting environment and help us digitize the professional & recreational shooting experience.

Work with technology experts and grow with us!

This position is paid \$18 per hour

What we're looking for

This is a unique opportunity to join a highly motivated and experienced team where you can help make a difference and lead on changes and new ideas.

This role requires working with our customers on-site at the biggest shooting range in the U.S. located in Woodland Park, NJ.

You will support our customers with signing-up/ signing-in to our application, get started and enjoy their experience, and eventually walk them through the post-experience analytics review of video and results.

Flexible hours Noon - 9pm, Sunday - Saturday.

In-person at Woodland Park, NJ.

Requirements

- A U.S. working permit
- Great communication abilities, including written and verbal communication
- Ability to stand for long periods of time required.
- Proficient with operating Windows and iOS
- Proven previous experience working with customers required
